Englisch

# you

- ... have questions about your rights
- ... are looking for advice on topics regarding sexual health
- ... need information about taxes and health insurance
- ... have questions about the legal stipulations regarding sex work
- ... would like to exchange ideas and talk to colleagues
- ... would like to pursue further education and professionalise
- ... are looking for professional alternatives within and outside of sex work

# we

- ... advise you anonymously and free of charge
- ... demonstrate solidarity with you and your work
- ... stand up for your rights and good working conditions
- ... support you in dealing with official bodies and authorities
- ... facilitate further advice and support
- ... offer you opportunities to talk and exchange your thoughts with your colleagues
